WHY SHOULD I REGISTER?

Completing the Clergy Ethics Training *at least once every three years* is a vital part of maintaining your standing with the Christian Church Disciples of Christ.

These events provide clergy an opportunity to refresh their knowledge on ethical issues and learn new information about hot topics such as social media ethics, financial ethics and other 21st century issues. They may also learn self-care tips to prevent burn-out and help keep the minister and congregation healthy.

For clergy entering the Search and Call system, completion of at least one course every three years is *required* to obtain a letter of reference or verify good standing from the any of the Regional Ministers.
