LAYING THE GROUND FOR THE CONVERSATION

Anthony Robinson's book, "Changing the Conversation: A Third Way for Congregations" proposes a "third" way beyond the typical "conservative/ traditional" and "liberal/progressive" arguments and conflicts to move the mission and vitality of the church to new levels.

For that reason clergy are invited and encouraged to invite a lay member to share in the presentations and the beginnings of a new conversation. To encourage lay participation the fee has been reduced to $95.00 which includes materials, breaks, Wednesday dinner and Thursday lunch.
