CWS Hygiene Kits

In the face of natural disasters, violence, or grinding poverty, Hygiene Kits can mean the difference between sickness and health for struggling families.

Brushing teeth is a daily routine most of us take for granted--but not seven-year-old Mohammed, who has been living in a tent city where water can be scarce. After the October 2005 earthquake that flattened Mohammed's hometown, CWS provided refugees with shelter, water, sanitation, schooling, CWS Health and School Kits, and medicine.
