NEW CAMPER SCHOLARSHIP FUND

The CCIW region loves outdoor ministry, especially the campers. We want our campers to grow not only in their faith and in life, but we'd like to see more and more kids coming through our camp. We want to share our faith and the camp experience with as many campers as possible. Thanks to our region, its churches, and specifically First Christian Church of Paris, a scholarship fund has been created to help new campers attend our summer camps. Please fill out the information below and return it to the regional office. Go ahead and get started!
