

ARE YOU READY TO ANSWER THE CALL?

Is God tugging at your heartstrings to step up to a higher calling? Does your church have a need that you are equipped to fulfill? **The School for Ministry (SFM) can help you discern your calling and guide you through a curriculum to help you develop your skills for ministerial leadership.**

We aim to help candidates for Commissioned/Lay Ministry discern their call to service in the context of a supportive cohort community. The vision is to call and equip gifted laity for service in local congregations, especially those in isolated rural areas.

The School for Ministry offers:

- Foundational religious education.
- Leadership development for laity.
- Nurturing spiritual formation among aspiring ministerial leaders.
- Continuing education for ordained ministers.
